Ref. 500125

Gencod 3660215001253

### Technical characteristics

- ▶ 1 12-channel remote control
- ▶ Operates with 1 CR2032 3V battery (included)
- ▶ Radio frequency : 868.3MHz

### Features

- ▶ Allows you to remotely control up to 12 **Thombox** devices individually and up to 12 groups of 5 devices maximum, which will then operate simultaneously. Control all of your motorised devices (gates, garage, shutters), along with any electrical appliance fitted with a remote control plug, light socket or micro-module (lighting, ventilation, etc.). Its long-range ARW radio technology allows you to control your devices and appliances from up to 150m away without being in the room.
