

## Dusk-to-dawn sensor

For outdoor lighting

Comfort

Guarantee **2** years

HelpLine **0 892 701 369\***

Ref. 500134

Gencod 3660215001345

### Technical characteristics

- ▶ Operates with 2 LR3 AAA batteries (not included)
- ▶ Radio frequency : 868.3MHz
- ▶ Open air range : 150m
- ▶ For outdoor use, protection against water in all directions (IP44)

### Features

- ▶ With its extremely simple, 100% wireless installation, simply set in the location of your choice. Its IP44 rating makes it weather-resistant and it can therefore be used both indoors and outdoors. The light level is adjusted with a single tap and you can set the duration to any value between 1min and 12 hours. After pairing with your **Thombox**, you can therefore use it to trigger any of your lighting to come on depending on the ambient light level, saving on your electricity as a result.
