Ref. 510716

Gencod 3660215107160

Technical characteristics

- ▶ Keypad and badge reader with LCD screen, surface-mount wall installation
- ▶ 2 RFID badges included
- ▶ The keypad operates with 2 CR123A batteries (included)
- ▶ Radio frequency : 868.3MHz
- ▶ Open air range : 300m

Features

- ▶ With a radio connection to your **Thombox**, 100% wireless and therefore extremely easy to install. Fitted with an LCD screen and backlit numeric keypad for easier use, even in a dark environment. It enables you to activate and deactivate your alarm system (fully on, partially on, off, etc) by entering the PIN code or touching it with the RFID badge supplied. It is also possible to associate certain keys on the keypad with instructions to launch one or more scenes on your **Thombox**. For example, lower the heating and switch off all the lights when the alarm is activated.
