

Wireless outdoor flashing siren

Safety

Ref. 510718

Gencod 3660215107184

Technical characteristics

- ▶ 1 wireless siren with powerful orange LED flashing light
- ▶ Sound power level : 102 dB
- ▶ Open air range : 300m
- ▶ For outdoor use, protection against rain (IP43)
- ▶ Operating temperature : -30°C to +70°C
- ▶ Operates with 1 ER34615M battery (included) - Battery life: up to 4 years
- ▶ Radio frequency : 868.3MHz

Features

- ▶ Designed for outdoor use, when placed in a prominent position on the outside of your home, this alarm will play a vital role in putting off intruders. Fitted with a flashing light and ultra-powerful siren (120dB), this siren will also play an important role in the event of the alarm being triggered. Completely wireless, the unit is extremely easy to install and get up and running. With anti-tamper, anti-strip contacts, the alarm is triggered in the event of any attempted sabotage. You can of course include it in your **Thombox** scenes, e.g. triggering it in the event of a fire being detected.
