

Flood detector

Safety

Ref. 510728

Gencod 3660215107283

Technical characteristics

- ▶ 1 flood sensor
- ▶ 1 radio transmitter. Operates with one CR123A lithium battery (included)
- ▶ Radio frequency : 868.3MHz
- ▶ Operating temperature : from -10°C to 50°C
- ▶ Radio range : 300m in open air

Features

- ▶ Conveniently located in vulnerable points around your home (basement, cellar, laundry room, indoor swimming pool, etc.), once paired with your **Thombox**, this detector will give you an early warning in the event of flooding via an e-mail and notification to your smartphone and tablet. If you wish, your **Thombox** will trigger the alarm siren and/or scene of your choice, such as shutting off the stop cock to your water supply.
